*For more
information, please
call Jimmy Pinjuv at
318-5584*

Beginner Adult Clinic

For people with no prior experience or just a basic understanding of the game. Drills designed to learn fundamental stroke technique will be utilized, as well as learning scoring and strategy.

Intermediate Adult Clinic

For students who have more than a basic understanding of the game and are looking to start refining their basic skills. More specific tennis technique, scoring, court position, and basic strategy would be the main emphasis of this class. Movement drills will be incorporated at this level.

Advanced Tennis Clinic

This clinic will be designed for the competitive adult player. A bit more time and attention will be devoted toward giving individual instruction during drills. There will be some cardio type drills, along with many match-play style drills,

Cardio Tennis Clinic

This fun, active clinic focuses primarily on the workout to help improve overall endurance & cardiovascular conditioning. Strength training is a limited part of this workout to help improve the shape of tennis specific muscles, ligaments & tendons as well. This is a fun clinic that is taught on a scalable basis to meet each players needs.

Adult private lessons are \$55/hr.

Semi-private adult lessons are \$32.50/person.

Clinic sign-up sheets are in the clinic book at the front desk.
